Annual IFPTE Arthur Freitag Scholarship

The IFPTE Scholarship Program is dedicated to the support of continuing education, for academically qualified students in their first and second years of higher learning. These Scholarships are provided to assist with any costs associated with the recipients attending a college, university, or trade school. This Program is evidence of our commitment to both community and higher education. Recognition is in the form of a \$1000 check, with a subsequent \$500 the following academic year (when a progress report is submitted).

Selection Criteria

- 1) Applicant must be a son or daughter of an IFPTE Local No. 12 member in good standing. A son or daughter is defined as *"by blood, by adoption, by marriage (step children) or foster children in the member's care"*.
- 2) Applicant must be a **graduating senior**, including Washington Home School (WHO), and have a **grade point** average of 2.8 or higher.
- 3) Applicant will provide **satisfactory** assurance of enrollment for the upcoming Fall Quarter in any college, university, or trade school (of their choice).
- 4) Applicant must submit a written two-part **essay** between 300 and 500 words. The essay is to be about the applicant, educational and/or career goals, and perspective of the world around them. The first part is to include where the applicant is from and about their school. The second part is to explain how the applicant plans to affect their community in the future.
- 5) Applicant will provide an official copy (**sealed envelope**) of school transcripts. However, all exceptions and/or circumstances (e.g., home school records) will be fairly evaluated by the IFPTE Scholarship Committee.
- 6) Applicant must provide at least **two letters** of recommendation. One recommendation should be from a teacher/school administrator and another from a community/organization leader.

A copy of the applicant's SAT/ACT scores is desirable; however, these are **not mandatory**.

A school type **photo** is optional for the application, but required if selected.

All applications must be **postmarked by April 01, 2010**. Final selection will be made by May 10, 2010. Any application without postmark by April 01, 2010 will not be considered.

Second academic year awards will be awarded (June/July) when the recipients report back with a progress report of their school year activities. Second year awardees are expected to have maintained a grade point average of 2.8 or better. However, the Committee has the **discretionary** authority to consider all extenuating circumstances.

Name: _____ Email: _____

Parent (IFPTE Local No. 12 member): _____

Permanent Address: _____

City: _____ State: _____ Zip Code: _____

GPA: _____ High School: _____

School attending in 2010/2011: _____

The following are typical **service oriented** items we are interested in knowing about. Please tell us what you have participated in and accomplished. You are not restricted to just the entry blocks below (feel free to use your own format), just tell us about who **YOU** are.

School/Community Related Activities

Clubs: _____

Offices Held: _____

Extra Curricular: _____

Volunteer Work: _____

Activities: _____

Honors and Awards: _____

Applications must be postmarked by April 01, 2010. Please mail to:
